4. IMPLEMENTATION.

a. Training strategy. There will be no change to the current training strategy.

b. Army Recruiting Information Support System (ARISS). This revision will require a change to be made to ARISS.

c. Position/personnel reclassification guidance (enclosures 2 and 3 respectively).

d. Changes to TOE will be included in the Consolidated TOE Update (CTU) 0304.

e. Position reclassification, to include revision of duty position titles, grades and identifiers, will be accomplished during the FY06 Command Plan to all TDA and MTOE documents in effect on and after 1 October 2005

f. Personnel reclassification, to include any required revision to personnel records, publication of orders, and/or submission of SIDPERS transactions, will be accomplished by the affected soldiers Personnel Service Center as follows.

(1) Active Component. 1 June - 30 September 2005.  
Effective date of reclassification will be 30 September 2005.

(2) Reserve Component. 1 May - 31 August 2006.  
Effective date of reclassification will be 31 August 2006.

(3) As an exception to the above timelines, award of ASI J4 may begin on and after 1 April 2003. Effective date of award will be date of training completion.

g. Supporting documents. To assist in application of this revision, an extract of TOE positions from The Army Authorization Documentation System (TAADS) (enclosure 4) and an extract of TOE positions from the Requirements Documentation System (enclosure 5) containing positions identified as affected by this revision is provided. Specific units and positions identified in the enclosures may be invalid in future documents and all positions affected by the proposal may not be included in the enclosures.

**10-221. 96B--Intelligence Analyst (Intel Analyst), CMF 96**

a. Major duties. The intelligence analyst supervises, performs, or coordinates, collection management, analysis, processing, and dissemination of strategic and tactical intelligence. Duties for the MOS 96B at each skill level are:

(1) MOSC 96B10. Prepares all-source intelligence products to support the combat commander. Assists in establishing and maintaining systematic, cross-referenced intelligence records and files. Receives and processes incoming reports and messages. Assists in determining significance and reliability of incoming information. Assists in integrating incoming information with current intelligence holdings and prepares and maintains the situation map. Assists in the analysis and evaluation of intelligence holdings to determine changes in enemy capabilities, vulnerabilities, and probable courses of action. Assists in the preparation of Order of Battle records using information from all sources and in the preparation of strength estimates of enemy units. Assembles and proofreads intelligence reports and assists in consolidating them into military intelligence. Prepares Intelligence Preparation of the Battlefield (IPB) products.

(2) MOSC 96B20. Performs duties shown in preceding skill level and provides guidance to subordinate soldiers. Analyzes current intelligence holdings to identify gaps, and subsequent intelligence collection requirements. Considers enemy Order of Battle records in the development of collection tasks and assessment of enemy vulnerabilities and probable courses of action. Assists in the preparation of reports on captured enemy material. Drafts periodic and special intelligence reports, plans, and briefings.

(3) MOSC 96B30. Performs duties shown in preceding skill level and provides guidance to subordinate soldiers. Supervises the receipt, analysis, dissemination, and storage of intelligence information. Supervises the IPB process. Quality controls analysis performed by subordinates. Assists in the preparation of indicators to satisfy priority intelligence requirements. Provides indicators and current situation briefings to subordinates. Receives, produces and disseminates intelligence reports containing information obtained from all-sources. Assists in preparing and conducting command intelligence training programs. Supervises intelligence operations within a combat battalion.

(4) MOSC 96B40. Performs duties shown in preceding skill level and provides guidance to subordinate soldiers. Assembles enemy intelligence information and material. Coordinates flow of intelligence information between intelligence disciplines and supervises the all-source production process. Supervises intelligence operations within combat brigade. Conducts general intelligence training. Supervises collection management in an Analysis Control Element (ACE).

(5) MOSC 96B50. Performs duties shown in preceding skill level and provides guidance to subordinate soldiers. Trains immediate subordinates in specific phases of intelligence operations. Assists in appraisal of intelligence, operations, and training procedures. Coordinates operating requirements of subordinate units. Supervises intelligence operations in a division ACE.

b. Physical demands rating and qualifications for initial award of MOS. Intelligence analysts must possess the following qualifications:

- (1) A physical demands rating of medium.
- (2) A physical profile of 222221.
- (3) Normal color vision.
- (4) Qualifying scores.

(a) A minimum score of 105 in aptitude area ST in Armed Services Vocational aptitude Battery (ASVAB) tests administered prior to 2 January 2002.

(b) A minimum score of 102 in aptitude area ST on ASVAB tests administered on and after 2 January 2002.

(5) The soldier must meet TOP SECRET (TS) security clearance and Sensitive Compartmented Information (SCI) access eligibility requirements. An interim TS clearance with SCI access meets this requirement.

(6) A high school graduate or equivalent prior to entry into active duty.

(7) MOS closed for reclassification into MSG, except for those soldiers within CMF 96.

(8) Never been a member of the U.S. Peace Corps, except as specified in AR 614-200 (para 3-2).

(9) No information in military personnel, Provost Marshal, intelligence, or medical records that would prevent the granting of security clearance under AR 380-67 (para 3.401.a).

(10) No record of conviction by court-martial.

(11) No record of conviction by a civil court for any offense other than minor traffic violations.

(12) Must be a U.S. citizen.

(13) Soldier and spouse must not have immediate family members who reside in a country within whose boundaries physical or mental coercion is known to be common practice, either against-

(a) Persons accused of acting in the interest of the U.S. or

(b) The relatives of such persons to whom they may reasonably be considered to be bound by ties of affection, kinship, or obligation. Immediate family for both soldier and spouse includes both blood and step-: parents, spouse, children, sisters, brothers, any sole living blood relative, or a person in loco parentis per AR 600-8-10.

(14) Have neither commercial nor vested interest in a country within whose boundaries physical or mental coercion is known to be a common practice against persons acting in the interest of the U.S. This requirement applies to the soldier's spouse as well.

(15) Meet career management and development criteria contained in AR 614-200 and DA Pam 351-4.

(16) Formal training (completion of MOS 96B course conducted under the auspices of the USAIC&FH, Ft Huachuca, AZ) mandatory.

(17) Be advised that due to the nature of training and assignments, temporary restrictions may be placed on foreign travel both during and after the term of service.

c. Additional skill identifiers.

(1) P5--Master Fitness Trainer.

(2) 1F--ASAS Master (use with grades SSG through MSG only).

(3) 2B--Air Assault (personnel only).

(4) 2S--Battle Staff Operations (skill level 3 and above).

(5) 4A--Reclassification Training.

(6) 5W--Jumpmaster (personnel only).

(7) 6T--Military Auditor (Reserve Component personnel only).

(8) 8P--Competitive Parachutist (skill level 2-4 personnel only).

).

d. Physical requirements and standards of grade. Physical requirements and SG relating to each skill level are listed in the following tables:

(1) Table 10-96B-1. Physical requirements.

(2) Table 10-96B-2. Standards of grade TOE/MTOE.
